- ✓ Please note that towels are not provided

West Cliff Sands Student Hotel Bournemouth

Kings School Bournemouth is delighted to confirm that we will be offering the West Cliff Sands Student Hotel this summer from September 29th 2008 to September 2009.

The hotel is in a great location near the cliff tops and only 5 minutes walk from Bournemouth beach, 5 minutes from the town centre and 15 minutes' walk from Kings School - so no taxis or bus passes required!

The hotel will be available on a **half-board basis** with a continental breakfast and hot dinner (with a Mediterranean flavour). The hotel offers simple, comfortable accommodation in a typical "bed and breakfast" style. There are 20 bedrooms (18 with en-suite shower rooms). Most of the rooms are twins and there are also a small number of singles, triples and family rooms. All rooms are fully furnished and most rooms will have a fridge, television and kettle. There is also a student room / reception where students can check their emails and meet for a chat.
